

Treasure Hunt 1

Wander around the grounds and look for these historic elements:
A pillar with the letter H, the garden steps, the bricklayer's name on the driveway, the bridge, the lower pond and the tulip fountain.

- Pillar
- Garden steps
- Bricklayer's name on the driveway
- Bridge
- Lower pond
- Tulip fountain

Treasure Hunt 2

Look for the painted stones above and check them off below. They are hidden throughout the grounds. See if you can find them and leave them for others to hunt.

Treasure Hunt 3

Bloodroot

Columbine

Dahlia

Hollyhocks

Prairie Rose

Purple Iris

Allium

Echinacea

Sunflower

Native plants are good for the environment. They require less water, fertilizer and maintenance. These native plants bloom at the Hauberg Estate during the Spring and Summer. How many of these beautiful flowers can you find in the gardens?
